All pupils at Yewtree Primary School have many opportunities to try new sports and sport experiences throughout their journey at the school. There are weekly extra - curricular clubs run by the Yewtree PE Team and outside providers covering a range of sports and activities. Throughout the year all pupils have the opportunity to take part in competitive situations within school and against other schools in the local community. Yewtree Primary School Sports Premium Plan 2019 - 2020

How we plan to use the Sports Premium Funding:

This year at Yewtree Primary school in Physical Education we are looking to improve the teaching provision of Physical Education to all years, improve Physical Activity levels within and outside of school and offer many opportunities to try new sports competitively and socially.

We will focus on the following five indicators:

- The engagement of all pupils in regular Physical Activity - Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school
- The profile of PESSPA being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and Sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport
